

HEAR **EVERY DETAIL**

Get intimately closer to your content. Our unique perspective as the world's leading maker of musical instruments and audio gear can be heard in the True Sound from our lineup of headphones, speakers, sound bars, AV receivers, Hi-Fi components and more.

From music and movies to immersive gaming experiences, it's the details that matter. Hear it for yourself and design your ideal setup today.

TRANSFORM THE WAY YOU WATCH

Experience total immersion in your favorite movies and shows – all from a slim, low-profile sound bar to complement your Ultra HD TV. Featuring deep bass and clear dialogue, get ready to hear the details come to life all around you.

From compact solutions and virtual surround sound to surround sound experiences, there's a Yamaha sound bar for every space and budget.

YAMAHA SOUND BARS

SHOP SOUND BARS 

VIRTUAL SOUND IMMERSION

Take your home cinema experience to new heights with sound that seems to come from above as well as all around you.

VOICE CONTROL

With Alexa voice control integration, all you have to do is ask. Our YAS-109 and YAS-209 sound bars offer built-in Alexa voice control for easy control of your sound bar, smart home devices, music and more.

CLEAR VOICE

Clear Voice mode brings the sound of narration and dialogue to the forefront. Movies, TV shows, sports commentary and newscasts are all instantly more clear and audible.

STAY TRUE

SHOP HEADPHONES 

Wireless headphones that intelligently adapt and respond to you and your environment.

BRING THE THEATER HOME

SHOP AV RECEIVERS 

ENTERTAINMENT CENTER

Connect multiple UHD video sources and game consoles and unleash a complete surround sound experience. Plus, enjoy streaming services, app and voice assistant control.

ENHANCED GAMING FUNCTIONALITY

Our newest AV receivers will be upgradeable to support the latest HDMI standards, that include Auto Low Latency Mode (ALLM), Variable Refresh Rate (VRR), Quick Media Switching (QMS), and Quick Frame Transport (QFT).

TOTAL CLARITY

Whether you're 4K-ready today or preparing for 8K to come, our AV receivers are built to support and pass through the highest resolution content possible.

ALEXA START THE PARTY

Control your gear* with your favorite assistant, whether its Alexa, Siri or Google.

Get the party started and share music throughout your entire house, wirelessly.
